

Are you afraid of the number 13? Is 13 a lucky number for you?

Most of the world's population are superstitious and afraid of the number 13. If you are one of these people, close and do not read this document!

We are 13 years old

13 years of impeccable work in the Brokerage software sales market. We are sure that all our clients, as well as all new clients, not only are not afraid of the number 13, but were also looking forward to it - that's right.

Everything for 13 – super discount – huge sale!

Honest 13 000 Euros for the **MetaTrader 4 Server**, no hidden fees. Pay once and use for life - pay and receive a finished product or service.

ATTENTION!!! Only 13 sales!

Need DEMO access to MetaTrader4 Server – 130 Euro for 3 days

The best exclusive offer in the Forex market for private investors, software developers, arbitrage traders, trading signal sellers, trading advisor sellers, trading account managers, investment companies, large brokerage companies, and for anyone who wants to open their own Forex business with minimal costs. This offer is for you. Do not miss your chance.

MetaTrader4 Server – 13 000 Euro!

We offer you the following services and software:

Perpetual, unlimited license for your MetaTrader4 Server. Many people don't understand what it is. Everything is very simple. **Perpetual** – means it has no expiration date. You don't need to pay several thousand dollars every month and pay tens of thousands of dollars a year for a license; you pay once and for all – for life. **Unlimited** – means it has no restrictions on the number of copies, you can make 5, 17 or 148 copies of your server and your license will work and will not require any additional payment.

Now that the entire software package is in your hands and at your disposal, you can order your new brand for your own company from us. Now you can remove all restrictions and activate on your dedicated servers all copies of the MetaTrader4 Server that you decide to install. You are fully ready to provide services as a Forex Broker.

1 . WEB terminal MetaTrader4 = 13 000

When purchasing a server and this order from us, the price is both current and includes individual wishes regarding technical characteristics. Execution period up to 35 days. Ordering this development separately is more expensive!
